Hon. W. T. White,
Minister of Finance,
Ottawa, Ont.

Dear Mr. White:

I am sending you a copy of a letter which I have just written to The Prime Minister. I think that this object will appeal to you, and you may possibly know Fitzgerald. He is one of our most competent young men. His laboratory is now providing these antitoxins for almost every Province of the Dominion, and I doubt whether there is any one in the country who would be better able to undertake this work along with his assistant, Dr. Defries.

I am enclosing for yourself a statement prepared for me by these gentlemen.

With kind regards, I am,

Yours sincerely,

President.

Hon. W. T. White,

Minister of Finance,

Ottawa, Ont.

Dear Mr. White:

By some oversight I have not answered your letter in which you forwarded to me Dr. Graham Chamber's request for an appointment to the proposed University Hospital for the front together with your endorsement of his application. I need not assure you that any request of yours will always receive from me the most favourable reply that I can give. I think it is quite probable that the Committee will recommend Dr. Chambers as one of the staff.

With kind regards, I am,

Yours sincerely,

President.
